# MENIG'S MERRIMENT

## MERRIEST OF CHRISTMAS' TO YOU

**THIS** time of year always fills me with wonder and hope. I love this quote from *Our God is With Us*: "But for all of us who journey through the dark abyss of loneliness, There come a great announcement: we are never alone! For the Maker of each heart that breaks, the giver of each breath we take has come to earth, and given hope its birth."

At times we all feel lonely, disconnected and in dark places. But, God's love meets us where we're at and he delivers the hope we need.

I get amped at the opportunities to impact others and be transformed along the way.  
**The hope of change is in the air.**

**2016 was exciting!!** God faithfully did much as we continued our journey of growing **two:10** as a ministry.

During the past year we've partnered with mission teams, helped young folks transition into college and transition into the 'real world' after graduating. We've met with pastors avoiding burn-out, trained missions and ministry leaders in briefing/debriefing so they take new steps of hope and faith.

**Your partnership with God and us saw** transformation in the lives of students, families, missionaries and leaders who have been equipped to follow God's call to follow Jesus and reach others. *Your friendship and partnership are a continual source of joy and encouragement as you pray for and give faithfully to this ministry of hope.*

**As we move into 2017 we need to raise \$12000 in additional funding**, specifically to grow our ministry to students and millennials.

**The funds will focus on two areas:**

1. Developing our seminar for college students to become an online course and guidebook. For the guidebook, **we need to develop a new logo, design a book cover, format the chapters and actually print the book.**
2. Developing the online course will help us reach and impact more people. **We will need to revamp our website and film/ edit each module of the course.**

### End of Year Gift

To reach these goals in 2017, would you please pray for these opportunities and if able consider giving a special end-of-the-year gift of \$500, \$250, or other amount?

All gifts are tax-deductible and much appreciated!

You can make gifts through our website at:
