# MENIG'S MERRIMENT

## MERRIEST OF CHRISTMAS' TO YOU

**THIS** time of year always fills me with wonder and hope. Not just because of what has happened, but for what I anticipate. I'm not talking about resolutions to move more and eat less...or to finally commit to flossing as I should.

I get amped on the opportunities to impact others and be transformed along the way.  
***The hope of change is in the air.***

**2015 was exciting!!** God faithfully did much as we continued our journey of founding and growing **two:10** as a ministry.

During the past year we've partnered with mission teams, helped people transition home, transition into college and transition into the 'real world' after graduating. We've met with pastors avoiding burn-out, trained missions and ministry leaders in briefing/debriefing and helped smaller groups pilgrimage together on wilderness experiences.

**God has grown our vision to use blogging, writing and video content to reach more folks and increase our ministry impact.** He's also continued to open new doors.

**Your partnership with God and us saw transformation** in the lives of students, families, missionaries and leaders who have been equipped to follow God's call to follow Jesus and reach others. *Your friendship and partnership are a continual source of joy and encouragement as you pray for and give faithfully to our ministry.*

**As we move into 2016 we need to raise \$8000 in additional funding** for the ministry of reaching and discipling people and training leaders.

**The funds will be used to focus on:**

1. Developing our Basecamp curriculum  
[Briefing and Debriefing can sound stale and basecamp sounds more like the adventure that missions are!]
2. Growing our blog- writing more to the needs of Millenials and helping families transition students well.
3. One-on-one time with pastors/leaders.
4. Developing the tools people need to take new steps of faith.

### End of Year Gift

Would you specifically pray about giving a special end-of-the-year gift of \$500, \$250, or \$125? ...or consider becoming a new monthly financial partner at \$75, \$50, or \$35 a month as we head into 2016 together?

All gifts are tax-deductible and much appreciated!

You can make gifts through our website at:

***We pray you have a wonderful holiday season, that you are filled with wonder and hope, and that you walk into 2016 with renewed strength and vision.***

With much love,
