

Menig Ministry

Reaching the Campus: Reaching the World

GOD IS ON THE MOVE

As we head into summer we wanted to share some exciting news with you. As you know, summer missions play a big part of the campus ministry. Each summer, thousands of college students travel around the world, but the one's that go through Campus Crusade on mission trips travel with vision and purpose to see lives change.

If you think about your church and the impact just a week long missions experience can have on someone's faith, think about how a six-week trip can alter someone's life trajectory forever! Many of your lives have been changed during these very times, as have Wendy and mine.

Just to give you a picture of how God is moving in and through students involved with Campus Crusade, last summer 1,400 students applied for summer missions trips, making it the largest summer effort of students sharing their faith, starting new movements and giving relief in places like Haiti.

This summer, over 3,600 students applied for summer missions projects in the campus ministry. That's over a 100% increase with almost 2,200 more students applying!

Most of the summer mission trips are completely full, which is awesome! It's exciting to think about what God will do in and through these young people.

SUMMER ASSIGNMENTS

This summer we will serve the campus ministry by coaching and training the teams and their leaders that our region is sending to places like Japan, countries in the Middle East, the Dominican Republic, and countries in East Asia. A total of 17 teams representing over 300 students. *Our main role will be to help prepare and coach teams in the principles of loving the Lord, learning a new culture, loving their Team, and helping to start new ministries on campuses.* When their 6 weeks are complete, we will also come alongside teams to help them process and celebrate all God did, and give them a focus to take what they've learned and use it for a lifetime of ministry.

In addition to leading these teams this summer, we will be joining the US staff of Campus Crusade in Fort Collins, CO for our bi-annual staff conference. This is a time to refocus staff, connect with those we work with from all over the country and simply be encouraged together by how God is moving.

One of the reasons we believe we are still in ministry with Campus Crusade for Christ is that they offer this time of intentional focus to build and develop staff in prioritizing our relationship with God and sharing that relationship with others in a transformational community. This conference keeps us in the race!

In order to serve this summer, we are trusting God to raise \$6,750 in additional support for travel, conference costs, and housing while we're part of these vital training times.

Would you prayerfully consider being part of these opportunities by giving a special gift of \$100, \$150 or another amount towards our summer needs?

GRATEFUL FOR YOU

Thinking and praying for all the people we have a chance to minister to, influence and serve keeps us focused on why we do what we do. We're so thankful for your partnership and faithfulness in allowing us to invest this time sending students to the world! We look forward to how God is going to move and updating you with the stories from this summer.

Kyle, Wendy, Malia, Carter & Avery

P.S.

To help be part of this summer you can send a check in the envelope provided. You can also give online by going to www.give.ccci.org and typing in our last name.

Hello Kyle & Wendy,

Here is a special gift to help with your summer expenses.

_____ \$50 _____ \$100 _____ Other: _____ [Just cut this portion and mail to us in envelope]

(Please make your check payable to "Campus Crusade for Christ." You can also give online.)

It's our blessing to pray for you and your needs. Please let us know any immediate prayer requests or those you have for the summer.
