Itineration Update!

God is up to something! We have been burning up the road, sharing our dreams and stories with Pastors, churches, and just about anyone that will sit still long enough. Otavalo, Ecuador has become home away from home, and the Highland Quichua Indians have become a part of our family. So many things have happened in the last few months. We have visited so many places, and it seems that wherever we go, God has granted us favor and blessed us.

We are excited about the future God has for our ministry in Ecuador. There are so many people waiting on us to get back. Thank y'all for everything that y'all have done to keep us on track and getting us ready for our return home, so we can **reach the unreached** and bring **hope** to the Highlands of Ecuador.

Please contact us if you are interested in a visit from a missionary . However, be aware that our spaces are filling up, and there are only a few left to fill. Wednesday nights are the most available. We love and appreciate each one of you, and we couldn't do this without your support.

We miss our Otavalo family and the kiddos in all the communities. Their smiling faces and their excitement when we pull up with the HOPE of JESUS brings us so much joy! We can't wait to get back!
