We are in the middle of team season right now, so this will be a short update. First of all, thank you for supporting our ministry. We could not do any of this without you.

We had VBS last week at our church and did a day outreach in Otavalo. We have also began work at the construction site for our church. The first construction team comes July

26th. We have a women's team coming in next week and will be doing womens/kids ministry in Otavalo and our church in Llano Grande.

We will be returning to the states the end of August to move Ethan back to the states. He will be living in Northwest Arkansas and starting college next fall. We are so thankful that he's staying to help us with teams

this summer. Our kids are a lot of help to us. They both help wherever they are needed, whether it's being a clown, translating, or construction they do it. We know leaving Ethan in the states is going to be hard, but we know that God will help us. Thank you for your prayers during this time. And thank you if you sent Ethan money for Graduation.
