## HELLO FROM ECUADOR!

We have been really busy since our last newsletter. Team season has begun for us, and we haven't stopped since May. We are getting a lot of work done, and we couldn't be happier. We are trying to get our training center up and going by January 2020, so we have been working nonstop on it. We would also like to say thank you to Speed the Light and the Arkansas Youth Ministry for our new truck!

## FAMILY NEWS

The kids graduated from Evangel University in May, and we are so proud of them. Ethan is currently looking for a job, but in the meantime, he's here working with us in Ecuador. Megan will begin law school in August, and she's getting married.

## THANK YOU FOR YOUR SUPPORT!

We couldn't do this without you! Above are ministry pictures from VBS, an eye clinic, and the training center. None of this would be possible without you and your teams. If you want more day-to-day updates, follow us on Instagram @hopeforthehighlands or on Facebook @Shannon-Susan Pruitt.
