
GOOD NEWS, GREAT JOY AND A PRECIOUS GIFT

Quito and Otavalo

So much has been going on in our Family the last several months. We had a summer packed with teams, packed Ethan up and moved him back to Arkansas, then we returned home (Ecuador) to get things packed up here to get ready for our big move to Otavalo. Since arriving home, we have found a place to move to, and it was definitely all part of God's plan. We are so excited about our future. God has done so much and has opened so many doors for our ministry.

Ethan is doing well in the states. He has a job and is getting to enjoy all the Razorback games he can get to. With him doing well, it does make it better on Mom and Dad. Megan has almost completed her Jr. year, and she has been working so hard on school since returning home. She has already been accepted to the University of Arkansas. The plan is that both of our kids will start college next fall.

Upcoming events: Moving to Otavalo and getting settled before teams start arriving. Thanksgiving and Christmas will be a little different this year without Ethan, but we plan on doing FaceTime.

Left - our new church in Quito. The people are so excited and so grateful for everything.

Right - a new project in Otavalo at the church in San Juan Alto for Pastora Luzmila

We want to thank each one of you for all that you do for us and our ministry. Thank you for your prayers during my (Shannon) back surgery. I am recovering very well, and I have been in very good hands. Susan is making sure that I obey ALL of the doctors orders.

I just want to take this opportunity to say what blessed husband and father I am. I am so proud and honored to have Susan, Ethan, and Megan as my family. I pray for them daily, for God to watch over and protect them. One of my favorite scriptures says that He chose us before he created the world - **Ephesians 1:4 Even before he made the world, God loved us and chose us in Christ to be holy and without fault in his eyes.**

I have the greatest family in the world, and I could not do this with out them.

We pray that you all have a great Thanksgiving and a very Merry Christmas with your family and friends.

Good news, Great joy and a precious gift - Luke 2:11 For unto you is born this day in the city of David a Savior, which is Christ the Lord.

We still need your help on project #14607 to help pay off land for our church in Quito. Contact me at shannon.pruitt@agmd.org
