Hello from Otavalo Ecuador!

They say a picture is worth a thousand words, so we hope you enjoy this newsletter full of pics. The following pics are from the communities of Iluman, Alambuela, San Juan Alto, and Yambiro. Ethan was here in July and was a great help. Then we were able to provide a wheelchair to a child in need in the community of Yambiro.

Thank you for your support for our ministry in Ecuador. We could not do what we do with you. Pictured above is the new community house in Alambuela that we were able to help them complete. We also were able to host two medical teams and saw around 800 patients. We did four VBS's in four communities and hosted many construction teams. We are hoping to have our training center completed by January 2020 and start classes. You can keep up with us on Facebook and Instagram.

FAMILY MOMENTS

Ethan celebrated his 24th birthday and is currently looking for a job. Megan started law school and will be getting married to Caleb in less than two weeks. Please pray for them during these transitions. It's hard being so far away
