OUR LAST NOTE BEFORE WE RETURN TO ECUADOR

Wow! Can you believe that we are finished with our itineration? Since we started last December we have traveled over 50,000 miles, had over 80 services, and traveled through many states. We really enjoyed getting to see many of you and meet many new friends. However, we are ready to get back to Ecuador and get back to work. We are ready to get our training center completed and to start planting churches in communities. 2019 is full of teams, so we will probably see many of you then.

We hope you all have a very merry Christmas and a blessed New Year!

THANK YOU

We want to say thank you from the bottom of our hearts. We cannot do this without each of you. As we prepare to return to Ecuador for our third term, we are filled with mixed emotions. We are so excited to get back, but on the other hand, we are not excited to leave Ethan and Megan once again. Please pray for us as we prepare for this transition yet again, and please remember our kids as they finish up their senior year at Evangel University. We also ask that you pray for us as we gather up needed paperwork for our visas and that the visa process will go smoothly.

It's not too late to support us through monthly support or a one-time offering. Please contact us at shannon.pruitt@agmd.org or 479-387-5757 if you're interested, and we can set it up for you.
