Otavalo Ecuador Account # 266170

Just a quick update from Otavalo Ecuador. We returned home from the states just in time to get ready for a summer full of teams. We will be working in a couple of Quichua communities this summer and would appreciate your prayers. Please pray that they would see the love of Jesus through us as we minister to these people. Susan's foot is doing great and continues to improve day by day. We hope that you enjoy these few pictures and we can't say thank you enough for your support. Without you none of this would be possible. We appreciate each and everyone of you.
