.....I TELL YOU, OPEN YOUR EYES AND LOOK TO THE FIELDS! THEY ARE RIPE FOR HARVEST. JOHN 4:35

Following Him, let's be real.

God isn't looking for people of great faith, but for individuals ready to follow him. As I sat down this morning to write this newsletter my mind went a thousand different places. What do our supporters want to hear? Do I tell them only good stuff? Do I tell them real life stuff? What it really comes down to is this, we serve a

faithful God. A God that is going to help us with up-coming transitions in our family. Our son, Ethan, graduates in four months and will be moving back to the US. Then our daughter, Megan, is soon to follow. We can't help but think about all the unknowns, such as colleges, vehicles, etc. And not to mention the fact that we will be here and they will

be there. Trust me, it's going to be just as hard on them as it is on us because we are a really close family. But our God is big and He is faithful and we choose to follow Him, no matter the cost. We will trust Him with our kid's futures and all the great things He has in store for them. Please be in prayer for our "real life stuff."

THANK YOU LFTL FOR THIS SUNDAY SCHOOL MATERIAL

I MADE A 100 ON MY DRIVERS TEST AND NOW HAVE MY LICENSE.

PRAYING FOR THE NATIONAL SUPERINTENDENT OF ECUADOR

If anyone would come after me, let him deny himself and take up his cross and follow me.

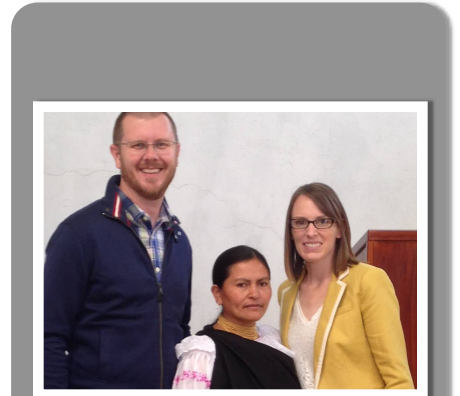

To know the will of God, we need an open Bible and an open map.

These last few months have been very challenging for us and there were times that we were ready to throw in the towel. We really spent a lot of time seeking direction from God and what he wanted us to do here in Ecuador. We told God that we would go wherever He wanted us to go and that we would trust Him. We felt the Lord leading us to a place where no AG missionary has ever lived. God gave us a new vision to work with the Quichua Indians in the north, not just work there but live there. There are 609,000 Quichua Indians in this area and less than 2% are christians. We will be working with 11 churches that are already established in this area and getting into villages that have never heard the gospel. We've already been working in Otavalo and recently helped with a baptism service there. We will

continue to meet with the pastors in this area and begin making relationships with them and their churches.

We will also continue to work with our church here in Quito until we get a church building built. This church has been so good to us and we know that God placed us together for a reason. We will continue to help this church for as long as we are in Ecuador. We purchased land this week and will start building this summer. We will continue to raise money to help pay this land off. We are still needing \$55,000. If you would like to help with this project you can send your offering to: AGWM 1445 Boonville Ave Springfield Mo 65802 with PROJECT #14607 in the memo. Thank you for your continued prayers and support. We couldn't do this without you.

WE HAVE LAND! See picture below.
