SERVING WITH CRU IN SOUTHEAST OHIO

THANKFUL

November 28th, 2016

I asked a few of the students I (Emily) disciple and lead what about the ministry of Cru they were thankful to the Lord for this year. They said many things, but one thing that they all have in common - they are made possible by you. Because of your generous financial giving and prayers, our ministry through Cru here at Ohio University has been made possible. Thank you, thank you, thank you. The impact you are making in the lives of these students is truly eternal.

I am so thankful for Cru for providing me with an amazing community of believers and leaders, a safe place to worship the Lord, and the wonderful opportunity for me to strengthen my relationship with Him while I'm in college.

I am thankful for the comfortable atmosphere that Emily creates during discipleship and action group. Even when we are feeling discouraged in our ministry, she reminds us that it is all in God's hands and He is proud of the work we are doing for His mission.

I am so thankful for the simultaneous understanding, love, encouragement, and positive pressure that the Cru community provides me in order to grow in my relationship with Christ.
