

April 2024

“A year ago we had a 24 hour prayer event. We were praying for each of you in this room before we ever knew you.”

These words came from Carson, one of our faithful student leaders for the past two years. As he spoke to our newly challenged leaders on a Friday night, he reminded them of all that God has done, both in his life and in the life of the ministry in the past year.

He shared with them how much his life has changed over the last three years since I (Clay) handed him a questionnaire his freshmen year and other staff guys were faithful to pursue him. Carson shared about how an older student had taken him under his wing and showed him how to make disciples. And he encouraged them to ask God for more.

This night was not only a celebration of all that God has done this year, but in the last three years. We’ve gone from 29 to 49 men in the room in a matter of 2 years! I even got to celebrate challenging my first male student at OU-Lancaster during my time doing ministry there. It’s been incredible to see God raise up young men and women who will seek to walk by faith to make disciples of Jesus.

With that said, we know that God is nowhere near done as we end the school year. Please pray for our newly challenged leaders, our returning leaders, and our graduating seniors.

Yours in Christ,
Clay + Emily

FAMILY UPDATE

Emily and the kids traveled to her parent's house to view the total solar eclipse, which was an incredible experience. Other than that, there truly is not much to update about our family right now. Please continue to pray for us as we anticipate the arrival of Baby Selway #3!
