“Before stepping into your house tonight, I was feeling so anxious and overwhelmed. Then when I came in, I felt such a sense of God’s peace and presence,” Jošt (YO-shh-tuh) shared as he joined us for our Lifestyle Group.

Jošt, a young professional working on the coast of Slovenia, and a handful of other Slovenes have been meeting with us since the start of the summer as a continuation of our MyFriends program. We gather to become better equipped to share our faith and make disciples as part of a lifestyle of following Jesus.

Even during busy summer travels and schedules, our fellow disciple makers in Slovenia made time to study and apply God’s word, pray together, and bear one another’s burdens. Jošt faithfully attended every meeting, all while juggling a full-time job, helping at a Christian drug rehab center, and finishing a college degree.

Jošt is sharing his faith with his coworkers, customers, and his family back home. He’s committed to building up believers and making disciples. The Lord is at work in his life and among other believers in Slovenia who want to be part of reaching this nation for Christ.

We’re thankful for how God is using us and the Lifestyle Group to encourage Christians in Slovenia to help reach and disciple those around them for Christ. Momentum is building, and we’re so grateful to have you standing beside us and praying for God’s kingdom to come on earth as it is in heaven.

Jordan + Niki

Our lifestyle group met regularly over the summer in our home to study God’s word, encourage one another, share steps of faith we’re taking, and help become better equipped to make disciples in Slovenia. Jošt is in the middle of the picture in the gray shirt.

Prayers + Praises

Praise God for how he is at work in Jošt’s life and for the steps he’s taking to make disciples of Jesus wherever he goes.

Pray for the believers involved in our community that we’re continuing to equip to make disciples. Pray they would walk closely with the Lord, share their faith with others, and start their own Discovery Bible Study groups with those around them.

Pray for the Lord to continue drawing more people to himself in Slovenia, for the believers here to be lights for Christ, and for divine appointments to meet people who are seeking God.
