# Merry Christmas!

The King of Kings was born 2,000 years ago and his Kingdom is still advancing across the world, and especially in Slovenia. We thank God for you and your prayers in helping those far from God meet Jesus and experience the abundant life and receive the gift of eternal life as they place their faith in him. We wish you a Merry Christmas full of the joy, peace, hope, and love that only Christ offers.

In Christ,

Jordan, Niki, Raegan,
