# CONVERGE WITH US IN OCTOBER!

We're gearing up for an exciting fall season of European Worship Institute events and we'd like to invite you to partner with us as we train an estimated 250+ worship leaders, pastors, musicians, vocalists, technicians and songwriters in Brussels (October 5), Pristina, Kosovo (October 17-19) and Rome (October 31-November 2).

We're making Worship Institute history as this is the first time we've held training events in Pristina, Kosovo and Rome, adding two new cities to our current roster of Brussels, Paris, Vienna, Venice, Delft/Rotterdam (The Netherlands) and Casablanca (Morocco).

The European church is small and Christians often have meager means, so we work to keep the costs of our events affordable and accessible. In Kosovo, where the average annual income is \$7,400 and unemployment is 45%, we are paying all of the expenses of our training team sent from Brussels. Otherwise, the event wouldn't be possible.

To produce these events, we need to raise \$3000 to help pay for: administrative expenses such as promotion, website updates, name badges, and printing of training books; and for direct event expenses such as airfare tickets, hotel rooms, food and transportation expenses for the Kosovo and Rome events.

Will you partner with us in training church leaders in these three capital European cities? If you feel lead to support these events with a one-time contribution of \$25, \$50, \$100, \$500 or more, please send your tax-deductible gift to the address below. (Please mark your check 'CONVERGE PROJECT' so we can create a special 'Team ConVerge' contributor list.)

We'll keep you posted through E-Communiques over the next two months as we plan, organize and implement these events. And in November, we'll send you an event report with photos and testimonies plus a few small gifts as a token of our appreciation for your partnership in this special project.

Thank you for your prayerful consideration!
