

## **George Kyle has joined Team Wenig!!!**

We are so excited to share with you that our family has grown by 9 lbs, 21.5 inches and most of all, exponential amounts of love! George Kyle was born on October 11th at 3:19pm. (Just in time to celebrate his first Packers victory :)

It was such an awesome day, especially as AJ and Leisel met their baby brother for the first time! They are head over heels for him and Mommy and Daddy couldn't be more excited either. THANK YOU for all you do to encourage and support our family and ministry!

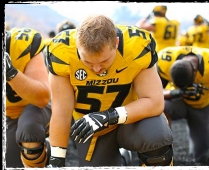

**Seeing athletes MULTIPLY what God is doing in their lives!** We have been especially challenged and encouraged this semester as God has been leading our staff team in a different format of ministry. In the past, every Tuesday night, was "large group" for the athletes. They would come together for a teaching lesson and gathering as an athlete community interested in growing their faith. This was a good thing and they seemed to be growing through it, but this year we sensed God leading us to trust Him for a new strategy. He has raised up an incredible servant team of student athletes (*see pic*) who are hungry to have impact on their peers. Because of this, we are investing even more depth, time, and intentionality with the servant team through especially utilizing Tuesday nights to train them to spiritually lead others. They in turn are taking that investment and multiplying it as they lead Bible studies throughout the rest of the week and even disciple others! There are currently 6 groups going and they cover a variety of topics & focuses (one for Freshmen, some are gender specific and others cover certain books of the Bible). These leaders are taking what God is doing in their own spiritual journey and then passing it on to others. It has already been so powerful to see them taking greater ownership of the Great Commission (Matthew 28:18-20) by carrying the responsibility of making disciples and leading others well. We are still having the large group meeting once every month, but are trusting God to take the athletes deeper in their love for Him and the Mizzou athletic community as they serve each other. Please join us in praying for these world changers!

## **Disciples who make disciples...**

We wanted you to "meet" Alec, an offensive lineman, who is having BIG impact. He invested the small amount of break he got over last summer to intern with AIA at our Ultimate Training Camp in Colorado, which he had attended the prior summer as a camper. He has been embracing new leadership roles (leading a Bible study for his team on authentic manhood) and has been meeting with Kyle this semester to keep digging into how to follow the Lord more and more. Alec is a great includer! He brings guys with him as he does life and cares for them well. A few weeks ago, he invited his teammate, Adam, to join him and Kyle for discipleship. Alec had the opportunity to share with Adam that day how you can have a personal relationship with God! Adam put his trust in Jesus that morning for the first time! It is so humbling and exciting to see God moving in and thru Alec!
