

## SEEKING, SURRENDERING & TRUSTING

We continue to love and feel a passion for serving athletes & coaches, sharing the Good News with them, and helping them draw closer to the Lord! Athletes in Action continues to be an incredible ministry for us to fulfill this part of our calling. While our mission remains the same, we find ourselves in the process of transition and sensing a change within AIA which entails a change in campus location. In many ways we are in a season like Abraham that is described in Hebrews 11:8 ***“By faith Abraham, when he was called, obeyed by going out to a place which he was to receive for an inheritance; and he went out, not knowing where he was going.”***

It is most comforting and encouraging knowing first of all that Immanuel, God With Us, is leading and His plans are trustworthy. We are also thankful that we have YOU, our ministry partners and prayer warriors, with us and praying for us as we seek to serve by faith. AIA’s leadership has been supportive of us in this process and together we are seeking the Lord for the upcoming details. As we learn more in the next month, we look forward to sharing with you what new campus location we will be serving! In the mean time, would you please be praying for us as we continue to faithfully serve here at Mizzou, but also trust Him for what He has for us next! (Psalm 37:3)

**Meet Michaelee & Britney!** These sweet ladies have been such a special part of Jayne’s year! With being a Momma of 3, ministry is seasonally changing and adapting. Michaelee and Britney are sophomores on the gymnastics team. Its been so fun getting to know them more through discipleship AND they like babysitting our kiddos! We get to do life together and process how they can keep drawing closer to God and influencing those around them. They are partnering with a couple other teammates in leading a Bible study for their team! They are trusting God in new ways; like when they hosted a team spaghetti night & initiated going deeper with their

faith conversation by sharing “3H’s” (Their life **H**ighlight, **H**ardship & **H**ero). They began laying a foundation of valuing authentic and deep connection in a place that had previously been more superficial. They are trusting God to build on that foundation as they explore more faith related topics! Please pray for them as they are seeking Him for how best to encourage and equip their team to learn about God and trust Him more.

### Please Pray For:

*~Peace & Wisdom in the process of seeking God for our next steps within AIA Campus Ministry.*

*~Celebrate with us in the ways that people are asking spiritual questions and including teammates who are growing in their faith. God is shining through these athletes and giving them boldness to share!*

*~Seeds planted through Winter Retreat ...pray that they would produce fruit in the lives of these men and women!*

### AIA Winter Retreat:

Kyle recently led students from Mizzou & Columbia College to join 200 other college athletes in downtown Chicago for a weekend of worship & faith growth. Here are some of the highlights...

**“I’m headed back to campus recharged, full of life, and full of passion.”- Lauren**

**“God just showed me that I need to step up and be a bold and fearless leader. He has placed me in a position where I have influence and I need to start using that influence to shine the light of Jesus.” - Christian**

**“Being my first time at AIA, I had an amazing life-changing time... This weekend has given me clarity and acceptance into my path to God.” - Sam**
