

Happy Fall & Thanksgiving! We wanted to send you a note filled with thanks and love as we praise God for many blessings, especially ones He provides through YOU!

We have been so grateful for your prayers as we have been serving the Mizzou athletic department in the midst of an intense season of racial tensions. We have been humbled by how God can use the platform of sports ministry to bring the understanding & peace of the Gospel where there is division and hurt. More than ever, we have seen God's purposes in placing us here in Missouri "for such a time as this." (Esther 4:14)

We appreciate how each of you share your generosity and faithfulness to make it possible for us to be here. We have been so blessed by gifts from several of you recently as George joined our family! THANK YOU!!!

We know that some people enjoy giving end of year gifts to our ministry. We are always thankful for how God uses you to help provide for the various ministry expenses that we have! We wanted you to know what those extra gifts would be going towards as we are budgeting and also planning for summer ministry roles with AIA this coming year.

Having added George to our family, we are trusting God to cover some additional medical expenses (\$3,000). We are also excited to be part of leading an AIA summer project to East Asia in June! *Athletes in Action's mission is to help establish a Christ follower on every team, in every sport, and in every nation.* We will have the opportunity to direct a project that will partner with our AIA staff who are ministering in a place where people are not allowed to follow Christ. We will lead American athletes in being part of fulfilling the Great Commission at several universities and also in rural villages where the Gospel has never been shared before. With this mission, we will be needing to raise \$2,800 to cover travel and in-country expenses.

Would you prayerfully consider helping us with these opportunities? Ways that you could impact and influence people's lives through our ministry are: *Giving a year-end special gift, begin giving monthly, and/or increase your current monthly/annual giving.*

As with any gift, please make your check payable to Athletes in Action with our staff account number (0581139) written in the memo line. To make sure you get a 2015 tax deduction, it would be most helpful if you could mail it to us by Dec 31st so we can get it to Cru on your behalf. Another easy way to make a contribution is by bank transfer or credit card. To do this, please go to our secure Cru giving page at www.give.cru.org/0581139 and follow the instructions.

Thanks for how you already provide & give... You are a blessing in so many ways! Please return the enclosed card no matter what! We love getting to pray for you and we'd also would like to update our address book.

We consider it a great privilege to share our prayer needs as well as our financial needs with you. However the Lord may lead you to respond, we're grateful and encouraged to know you're standing with us for the Gospel and for athletes at University of Missouri and around the world.
