

Snapshot from Spring.... Spring semester was fast and full and we are excited to share some of the highlights of what God has been doing with you! One of our favorite things is to see students multiplying their lives by sharing their faith. We especially get excited when students take what we are investing in their lives and share that passion and intentionality with the people God places in their sphere of impact! We have been seeing that as Kyle meets with Ryan from the UW cross country team. Ryan has begun discipling Austin and leading a team Bible study! It also has been really encouraging to see Ben (wrestler), Gabe (football) & Sam (golfer) who have been hungry to grow and are pursuing the Lord. **THANK YOU FOR PRAYING FOR THESE GUYS!**

Each Spring we have an event at our local church to celebrate and showcase the ways God is moving through Athletes in Action, called *Night With the Badgers*. Its a special and powerful time for student athletes to share ways they have seen God moving in their own lives & on their teams, and give Him praise and glory. After the event we also have a baptism done by Pastor Matt for students who are interested. This year 11 students (including Ben & Austin) chose to be Baptized! During *Night with the Badgers* many students shared, but two that especially stood out were Beata & Maddie. Beata is a Junior swimmer who earned 3 NCAA National Championships this season. Maddie, a Junior on the Women's Hockey team, also won the NCAA National Championship this year. **Both of these ladies talked about how amazing the experience**

is of seeing the fruit of their hard work paying off in their sport and experiencing victory at the highest levels, BUT both also expressed how those victories don't compare to the satisfaction they are finding in their relationship with God and how incredible it has been to grow closer to Him! They're experiencing His love in new ways as they are growing in their faith and learning to study the Bible & apply it to their lives.

Another fun connection has been with Jess, a UW Swimmer from Australia. She has been discipled by Sarah, our intern. Jess is about to graduate and head back to Australia to continue her swimming career on the Australian national team. It has been really fun how God is using our experience in Australia to help get Jess connected to Christ centered community in Australia, because she has begun and grown her faith during her time as a student here in the US. We would treasure your prayers as we wrap up this school year and begin processing and preparing for Summer & Fall.
