

ON WISCONSIN!

We are incredibly grateful for your prayers and encouragement as we have been in the process of waiting and seeking God for our next steps with Athletes in Action.

It is so exciting for us to share that we will be serving at University of Wisconsin-Madison!

We are thrilled to be joining a great staff team with a powerful vision... *“Reach the CAMPUS...change the CULTURE...transform the CITY.”* Being part of making this a reality is a huge blessing. The opportunity to maximize our passions, experiences, and training during our time as AIA staff will be awesome.

Kyle’s primary role will be ministering to athletes and coaches of the Badger’s mens teams. Jayne’s role will focus on staff development by serving and training our new staff and interns. Both job roles are a great fit for us! Another exciting part of our new roles has to do with growing the scope of our ministry. Not only will we be serving at UW -Madison, but we will also help our staff team reach much of Wisconsin as we invest in student leaders from other college athletic departments around the state!

In 2 Timothy 2:2 it says *“And the things you have heard me say, in the presence of many witnesses, entrust to reliable people, who will also be qualified to teach others.”* The AIA team in Wisconsin knows that we will succeed in this biblical goal to the extent that we have a global scope, prioritize staff growth and development, work towards establishing spiritual movements everywhere, faithfully steward resources & pursue diversity.

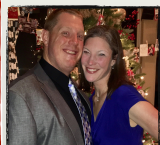

We cannot wait to begin this incredible opportunity!

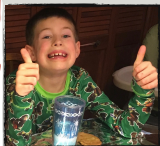

Please Pray With Us:

- For us to keep depending on the Lord
- For wisdom as we seek out housing options in Madison.
- Wrapping up life in Missouri...we are especially sad to leave our church, friends, and many in ministry
- Logistics of the move, probably happening in mid-May

What’s Up With The Wenigs...

Kyle & Jayne The past month has been especially focused on extensive study and ministry development in the area of cultivating authentic relationships. The book *Daring Greatly* by Brené Brown has been a helpful resource that we have enjoyed. We have also been doing a lot to get our house ready to sell. We experienced God’s provision in a powerful way when it sold in just 3 days!

AJ is 7 years old & finishing up First Grade! His smile and hugs will make your day! Some of his favorite things are: animals (he knows things about them that we never learned in all our science classes?!?), playing with Leisel, tree climbing & school. Please especially keep him in prayer as we transition!

Leisel is 4 years old and is ALL heart- she feels everything deeply and passionately. We joke that Leisel lives life with the volume turned up on high. She always has a song to sing and is incredibly thoughtful. She is great at including others, but most of all, she looks out for her brothers. She is a mini mama bear.

George is 18 months old and the cutest little tornado you have ever met. He loves to snuggle, but once he is free, watch out because he finds his way into everything.... truly in Curious George fashion. Each of our kiddos are such treasures and they constantly keep us laughing!
