

### Exciting New Season of Ministry

The experience we had with our fellow AIA & CRU missionaries at our biannual staff conference in July was incredible. We are so grateful for the ways that time is especially encouraging, empowering, and equipping us for ministry this year. A significant theme from that time is an anchor for us... **John 20:21 "Jesus said to them again, Peace be with you. As the Father has sent me, I also send you."** This purpose and opportunity to journey with athletes & coaches by serving them as they learn to love the Lord with all their heart, soul, mind & strength is humbling and exciting! We are anticipating God moving in mighty ways in this new school year! We're trusting Him to build connections and introduce us to new athletes & coaches on campus. There are many opportunities in front of us that we could dive into. Please pray for continued wisdom and dependance on the Lord to show us where/how He's leading, and then for us to be obedient to move forward accordingly by faith. Two big areas we're trusting Him for in the first month on campus is a large-scale care package outreach to serve new students and resource them in their faith growth. We also need favor from the athletic departments we work with as we plan our new large group meeting locations on campus. We appreciate the many ways you continue to be *sent* by God with us to be part of His Great Commission mission field!

### Please Pray With Us:

- That we would "Love God & Love People and trust God with the rest"
- To be courageous & faithful as we serve on campus.
- For opportunities to connect with new athletes and coaches so we can share the love of God with them.
- For a smooth back-to-school transition for our family

### What's Up With TEAM WENIG...

**Kyle & Jayne** This summer we celebrated 14 years of being a team in marriage! We are so grateful for how God continues to knit us together to love and encourage each other in life, parenting & ministry. This year Jayne turned 40 years old and Kyle is about to in the year ahead, so its been fun planning special milestone celebrations for each other.

**AJ** is 13 years old & beginning 7th Grade! He has an incredible heart and a growing desire to love God. A summer highlight for AJ was volunteering at our local zoo. He has always had a dream of being a zookeeper and so this opportunity has been a fun step in that direction.

**Leisel** is almost 10 years old as she starts 4th grade! Whether its running/sports, thinking about decorations/design, listening to music, or caring for friends, Leisel is doing it with ALL her heart.

**George** is almost 7 years old and is heading to 1st grade! This boy loves to play games, ride his bike, and use his imagine. He is usually on the move and moving hard & fast, but when he does slow down, his snuggles are priceless! He is our tender warrior.

**Simon** is turning 2 in September! He keeps right up with the "guys" as he calls our older kids. He especially enjoys snuggling & looking at pictures on our phones, and going for family walks. This sweet guy keeps us on our toes, but we are so grateful for the fun that he adds to our family.
