

Mobilizing Myron

Our mission is to raise up servant leaders for God's kingdom by reaching and discipling college athletes. We choose to focus on athletes because many of them have a natural bent toward leadership and impact. We are co-laboring with God to see that passion redirected toward kingdom purposes.

Myron Williams is an excellent example of that goal. After graduating from Marian University in May, he moved back home to Cincinnati, where he is investing in his extended family. He feels called to lead them into a deeper relationship with Christ. Matt recently had lunch with Myron and it was great to catch up!

Myron started a full-time engineering job and realized that building relationships with co-workers is similar to teammates in sports. He is learning how to apply our discipleship training in the context of work. We are so excited that Myron is mobilized and sent out to live on mission in a new context! Pray for him to continue walking with God.

Jenny: 630.501.5248

As we start a new school year, pray for us to have the wisdom and energy to lead students into an eternal mindset. Students often see life through a self-centered lens and don't think beyond themselves. **We need your prayers that the Holy Spirit breaks through those barriers and leads them to repentance and faith.**

Remi Returning

Remi Beckham just graduated from Butler and was in Jenny's discipleship group. She is living here in Indianapolis and working full-time. We invited her to volunteer on our staff team, and she said yes. We're praising God for laborers!

Remi is so excited about what God is doing among Track athletes at Butler that she wants to continue investing in the girls on the team. **Please pray that God works through Remi to help these girls grow and multiply their faith.**

Thank you for partnering with us to raise up servant leaders for God's kingdom!
