Discipleship Groups

One of the ways we saw God's hand at work last school year was through our discipleship groups. The goal of a discipleship group is to equip student-athletes to walk closely with God, and then mobilize them with vision to reach their teammates with the gospel. This school year our staff team is trusting God for six thriving discipleship groups on three campuses — Butler, Marian, and UIndy.

Jenny is leading a discipleship group at Butler again this year. She loves digging deep into the word and then talking through real life application with girls who are eager to grow! There are six girls from five different teams that she is leading and equipping. In the fall semester they are studying the book of Ephesians and talking about what it means to be "included in Christ." Pray for the Holy Spirit to plant God's Word deep into hearts in a way that transforms Holly, Karmen, Maddie, Rose, Melody, and Margo.

Matt is starting a new discipleship group at Marian, which is only a 10 minute drive from our house. We are studying the book of Philippians and talking about what it means to "do all things unto Christ." There are six guys from four different teams. Pray for the guys to bond quickly and be committed to the group. Some of the guys are new to studying the Bible, so pray that when they read it would come alive. Ask God to pierce the hearts of Sam, Sean, Greg, Mason, Andy, and Hunter.
