Final Six Weeks

It's common for a basketball coach to emphasize the first and last minutes of a game. They understand the beginning minutes set the pace and the concluding minutes determine the finish. Similarly, we are more intentional with the first and last weeks of a school year. Students are back from spring break, Covid restrictions have fully lifted, and the weather is warming up. We are poised and ready to make our final push before the school year concludes. **Pray for us to be diligent in these areas of focus:**

Discipleship Groups

The heartbeat of our ministry is small groups studying and applying God's word. Pray for our staff and volunteer leaders to faithfully shepherd students to love God with all their heart, mind, and strength.

UTC Recruiting

We are gaining traction and there is growing interest among our students about UTC. Pray for us to stay "politely persistent" in our efforts and lead with vision and compassion.

Evangelism & Outreach

Over the years, we've found that students are more spiritually open in the spring. Maybe it's the weather; perhaps it's the Easter holiday. Pray for us to be bold with sharing the gospel!
