

Leadership Team Retreat

On MLK Day (Jan 15) we had a half-day retreat with our leadership team to pray and plan for the upcoming spring semester. We discussed God's heart for the nations and how every Christian is a part of the mission. We also talked about building Christ-centered movements through the platform of sport that impact the campus.

Pray for our leaders to have unity as we trust God for another semester of disciples making disciples! Pray for us personally as we get back into the flow of ministry on campus, homeschool with the kids, church small group, etc. Exciting things are coming up this semester and we would love your prayers for these events below.

Cuba Spring Break

Johnny and Caleb had an impactful time in Cuba with the AIA Baseball ministry in December. It's amazing how the common love of a sport can open doors for the gospel! We recently had the guys and their parents over for dinner and fellowship. It was a good time of hearing how God is moving in the hearts of Cuban people.

Matt is going to Cuba with AIA over spring break (March 3-10) and taking a few students from Indy. The whole team of 14 are from campuses across the country. More details to come but please pray for him and the team as they get ready for the trip.
