Graduating Seniors

The end of every spring semester is bittersweet. We love seeing our seniors graduate with a missional mindset and step into the next season of life God has for them. We have poured so much love and care into their lives that it's hard to let them go. But we trust that wherever God leads them, they will be servant leaders and build God's kingdom through their time, talent, and treasure. Here are testimonies from three of Jenny's girls.

"The past year got me out of my comfort zone. In the past, I thought I needed to have all the answers to be a spiritual leader. Instead, it was encouraging to learn from others and see how God uses us in different stages of life. The Bible can be overwhelming with many stories and details, but Jenny helped me see the common thread of God's love and forgiveness. That will stick with me, and I want to share it with others." - Melody D.

"Jenny's discipleship has taught me to gain wisdom, know the truth, and seek discernment. During the most challenging seasons of my life as a college athlete, she prayed with me through the lows and rejoiced with me through the highs. She encouraged me to seek the Lord and make much of his name; not the name on my jersey or the name attached to my race time, but the name of Jesus." - Maddie M.

"Jenny has been an incredibly intentional person and spiritual leader for me for the past two years! She brings purpose and passion to our discipleship group, and she makes time to meet with me to go deeper into my walk with God. She always speaks life and encouragement to me. Jenny is a beautiful example of how to be a follower of Christ, mom, and friend!" - Karmen K.
