

“GOvember” Recruiting

We aim to equip and raise up servant leaders who build God’s kingdom wherever He sends them. To help move us toward that vision, Athletes in Action provides unique opportunities for students to grow spiritually. Every November, we focus on recruiting students to join us at those opportunities, and we refer to it as “GOvember.”

We’ve discovered that focusing on three opportunities creates powerful spiritual growth for students and momentum back on campus. Those three are Winter Retreat in January, Ultimate Training Camp in May, and Sport Tours over the winter and summer breaks. **Pray that students have open hearts as we communicate the vision.**

Johnny from Marian

Caleb from Ulndy

This December, two student-athletes from Indy campuses are going on a Sport Tour with AIA Baseball to a closed country in the Caribbean. The team will provide clean water for the community, run baseball clinics for youth, and compete with a national baseball team. We’re excited for Johnny and Caleb to experience this unique opportunity and come back more equipped to make a spiritual impact on their campuses! **Pray for safe travel, the Spirit’s leading, and open hearts.**

Butler Student Intern

Sam Rogers from Butler is a student intern with us this fall. He’s learning about leadership, spiritual formation, and strategic communication. Below is a short testimony from Sam. **Please pray the Lord gives us full-time interns next school year!**

“This internship has been an incredible time learning more about Athletes in Action, experiencing deep fellowship, and strengthening my faith. I’ve gleaned helpful insights in all three areas. It’s been an honor serving alongside the staff team at Butler. I’m excited for the ministry to grow and the kingdom to advance at Butler and beyond!”

Matt and Sam
