WINTER CONFERENCE

DEC 28-JAN 1
MINNEAPOLIS, MN

4 DAYS

715 STUDENTS ATTENDED

46 STUDENTS INDICATED COMING TO KNOW CHRIST FOR THE FIRST TIME

42 COMMITTED TO A YEAR TO FULL TIME MINISTRY

119 MADE A DECISION TO GO ON A MISSION TRIP AND TAKE THE GOSPEL TO THE WORLD.

In students' own words...

"I was given the confidence to boldly share my faith with my parents. I shared the gospel and brought them to church and my mom raised her hand committing herself to giving her life to Jesus!"

"I love taking a week and investing in my relationship with Christ. In a world where we get bombarded with messages against the gospel, it's great to be reminded of just how life transforming the gospel is."

"I was living a lukewarm Christian life lately. I was going thru the motions of your usual Christian. After this conference I have a fire inside me that I have never had before! I want to share the gospel with my friends and people I work with and everyone I can!"
