*Our 6 interns:*

*Mariak, Janessa, Hannah, Curran,  
Aaron and Ben*

Our team is incredibly excited to have more laborers to reach our scope and fresh eyes and minds to help develop our strategies. These 6 UW Graduates will be serving as Interns on our Southern WI staff team for the next year. We are praising God for moving their hearts to consider ministry and providing all the necessary funds to make it a reality!

**JANESSA'S WORDS:**

**"I have seen God do so much on the UW-Madison campus over the past 4 years not only in my own life but also in the lives of other students. I am so thankful to now be a part of the staff team! I cannot wait to see how the Lord will use us all this next year to bring glory and honor to His name."**

*Leadership Advance*

*Aug 23-24*

65 leaders gathered to dream and plan for the fall semester. We have big plans for Labor Day Weekend as students flood campus! Pray for favor and opportunities to share the gospel. Pray for our leaders to lead out of an overflow of their relationship with God and not find their worth in ministry. Pray that we would shepherd these students well and that God would use them to do mighty things for His kingdom.
