Could you take a moment to pray for these students?

### MEETING LINA:

**Our team got locked out of our weekly prayer meeting space. Next best option? McDonalds! With Bibles in one hand and McCafe's in the other, we began praying for the campus. A young woman who worked at McDonald's, Lina, approached us and asked, "Excuse me, are you having a Bible study?" We explained that we were Christians, and spiritual resources on campus. Lina replied that she too was a Christian, studied at MATC and was searching for a place to get plugged in. Moments later, we had her number. 5 days later Lina took a step of faith to join us at Fall Getaway!**

Tuesdays at Madison Area Tech College Alex and Curran share their faith. They approached Logan, who responded "yes" to a taking a spiritual questionnaire. He indicated he was a Christian, as [his response to "What is one thing you absolutely want to make sure you do before you die?" was "I guess I want to lead as many people to Jesus as I can."](#) Alex suppressed his desire to fist pump and instead began to explain what Cru was about.

Suddenly, a new student, Carl, plopped down. Looking at Carl and Logan, Alex asked, "Do you guys know each other?" Carl said, ["No, I just heard you talking about Jesus and thought I'd come meet you guys."](#)

Carl explained that he too was Christian. A moment later, ANOTHER student named Alex came to our table. He was meeting up with Carl. Staff guy Alex asked "How are you doing?" Student Alex responded, "I just found out my brother died." Whoa. They asked to pray for him, and in that moment the 5, who had only just met in the last 20 minutes, prayed for Alex and his family. Afterwards, student Alex asked, ["So who are you guys?"](#) They explained what Cru was, and [all three students indicated that they would be interested in learning more.](#) They exchanged numbers on the spot!
