### Reaching Southern California Students for Christ

NICH & TRICIA BEEBEE | November 2013 | EPIC MOVEMENT  a ministry of CRU 

*“Coming out of [San Francisco Summer Project], I have now been equipped in one way or another to help serve on my campus through ministry and as a student. It is an exciting prospect, as I am now given the opportunity to put into action what I have learned; it is the real test, and the next mission field.” – a Student at University of Texas, Austin*

#### Summer Project Recap

Although Tricia and I couldn't welcome the students and staff back home from each of their summer projects, we were so encouraged by their stories of changed lives! Students gained a greater heart for those who have yet to place their faith in Christ, but also many have indicated a desire to return as STINTers and intern for a year or more! ***In all, our 4 projects were able to share the gospel 327 times and as result 31 people indicated a decision to follow Christ!***

#### Our "New" Staff Team

Every year we have a new staff team - even if its the same people. I equate life as a full-time campus minister, to living in a spiritual greenhouse - one cannot help but grow & change for the better! I'd like to introduce our new staff team

(top to bottom): Brent, Leila, Jaron & Micah, Rebecca, Josh, Keith, Ryan, Jess, Tim (with Cru co-founder Vonette Bright), Robbyn, Whitney (with fiance Larry), Natalie & Jessica.

#### Welcoming our Littlest Teammate

It is great joy to introduce you to **Tosh Nicholas Beebee!** He arrived just slightly early on August 8th and with such speed that Tricia had to be given general anesthesia for an emergency c-section - that's 2 for 2! Tosh's name (*pronounced taash*) is both Indian, meaning *contentment*, and Danish, meaning *strong viking soldier*. ***Pray with us that Tosh will find his contentment in the Lord and grow to become a strong spiritual soldier in His kingdom.***

**Thank you so much!** Your prayers, support, and partnership are essential to God's ministry in changing students' lives and ultimately the world through Jesus. God continues to use you mightily in our lives, as well as the lives of college students in Southern California and around the world.
