Reaching Southern California Students for Christ

NICH & TRICIA BEEBEE | March 2014 | EPIC MOVEMENT  a ministry of  CRU

"God, I am willing to go where You want me to go, do what You want me to do, say what You want me to say, give what You want me to give."
 – 183 students, on the last morning of our West Coast Epic Conference: MADE

Epic Conference: MADE

This was our second year since making the move to have our annual student conference down in San Diego - we miss San Francisco, but you can't beat the weather. Especially for staff and students who flew from the Upper Midwest and East Coast! In all, we had over 500 staff and students attend the weekend which focused on God's handiwork! He has deliberately and uniquely fashioned us to experience Him, glorify Him, and carry out His good work in this world in our own unique way. We were made for Him to love us and to show this love to others.

Appreciating the Women

Every year, right around Valentine's Day, the men involved in the different movements around the nation spend countless hours planning, decorating, practicing & cooking for the women of Epic in an expression of care, encouragement and appreciation. This year at UC Irvine the theme was A Night Market filled with lights, food and festivities. *We are so thankful for a spirit of celebration that God instills in these students hearts.*

An East Asian Summer

This summer we said, "Yes" to leading a Summer Project to East Asia! Nich will be the project director alongside our good friends Natalie and Kimberly. What is fun is that Kimberly and her husband Vinnie have a daughter just 2 months younger than Tosh - we look forward to serving alongside another family this summer! Currently we are in the phase of planning out our weekly schedule, securing housing, and reviewing & accepting applicants. *Pray that more male applicants join our team, that we find housing, and for energy and focus to plan for the summer while juggling ministry on campuses still in session for the next 4 months. (*If you know of anyone interested in joining us, pass on our contact info & send them to gosummerproject.com)*

Thank you so much! Your prayers, support, and partnership are essential to God's ministry in changing students' lives and ultimately the world through Jesus. God continues to use you mightily in our lives, as well as the lives of college students in Southern California and around the world.

Blessings,

NICH & Tricia
