

Nich & Tricia Beebee | May 2015 | Epic Movement  a ministry of Cru

Like Fish in Water

Ever since I (Tricia) was a child, my own family held to the tradition of passing along fish trinkets to others to give them a blessing that they would always have food on the table and always have plenty. Fish is a huge symbol in our new home country as well since it symbolizes wealth and abundance.

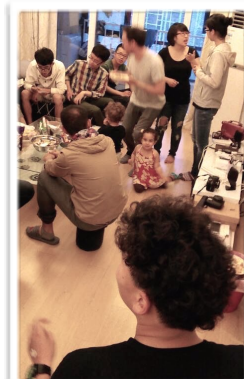

This year it is undeniable that we have an **abundance** of fish, in the form of people! We are ALWAYS meeting new people and praying for the Spirit to help us discern who is most open and desiring a relationship with Jesus. We estimate that we as a team of 6 have connected with 500 students this year. We have 7 new disciples and although it seems smart to go after the 500, we are pouring into these 7 so they will disciple others and reach people in their own heart language. We are following Jesus's model of having 12 disciples, and focusing on 3 of the 12 even more so to spread the Gospel to the whole world.

Our last Bible Study of the school year - 26 students came! (above & below)

Will you pray our disciples get this vision to disciple others and feel led by the Spirit in this?

None of them came to our Opera (where national staff came to train them in the art of sharing their faith), but we did have a handful from a local church come which is a huge win. **Pray especially for our disciples to grow in their faith this summer as they go home even though there are very few other believers in their hometowns.**

Our Last Bible Study of the Year

As our team prepares to part ways for the summer, we thought our ongoing Friday Bible study should have one last celebration. It was pouring down rain when we picked up the students on our bikes... though some cancelled, we had no idea 26 students would come! We shared the Gospel and had some great conversations over curry. **We praise God we've been able to share the Gospel so often here and that each Bible study has brought at least 10 people every Friday! Pray God works miracles as we share our lives and the Story of the One who came for us.**

HELP! Needing a Car this summer!

We are praying and looking into finding a car to use while we are in California from **June 10 - August 13th**, to raise more funds for our second year. **Would you please e-mail us if you are in the Bay Area and might have a car we could rent from you during that time? Thank you!**

As always, we are so thankful to partner alongside you in this ministry, as we reach students for Christ here in East Asia.

Blessings,

NICH & Tricia

We were blessed to have Nich's parents come live with us and bless us with helping with the kids last month!
