

Summer 2010

PRAISE & PRAYER REQUESTS:

- Praise God for how He prepared me for this move to California. Every detail came together and even my heart, although it's sad to have left, is hopeful and excited.
- Pray for our staff team as me and a new intern & good friend of mine, Robbyn, joins the team. We start meeting on Tuesday, August 17th.
- I've been asking God to keep bonding Nich and I as a couple and as we prepare for marriage together. Please pray for us too!

MINISTRY UPDATES FROM TRICIA KAVLE

5 years with one last summer in Hawaii...

Our project consisted of 46 people: 30 students, 14 staff and 2 staff kids!

This summer was one of the most memorable times of my life! It was really significant for me to live in the dorms for a month ministering to the very campuses that I've been outreaching to for the past 5 years with Epic students, some of which I'll directly be leading this fall at UC Irvine and UC Riverside.

I wasn't sure how much I'd be able to focus on the project with all the transitions happening in my life - the move, wedding plans, getting used to just being around Nich after being long distance for so long. But God really pieced together it all. It was a joy to serve the students and **probably my biggest praise was being able to start a "Prayervan"**, a caravan of cars, that drove around to a different outer campus for 3 weeks praying over the campus, the people and the several communities in Oahu.

3 girls that I loved discipling!
Rebecca, Lisa and Chris

I find that often times students don't get a true picture of Hawaii when they come to serve on past projects. So we were able to go to some of the poorest areas and also experience some of the most amazing true local foods too. I felt they gained a bigger heart for the 'aina (land) and I too grew in my faith as I trusted each day would impact the different sets of students that I took.

10 days after project, I made the move to California. Nich and I got here about a week ago and I'm just getting settled. It's been a big transition and a lot of life changes for me. We're getting married in just 81 days! I'm so excited for the future yet trying to find my niche here has been a slow process. Please pray for God to keep guiding us through this engagement period.

Thanks for your prayers for Nich & I both!
