

Dec '09/Jan '10

**FEBRUARY'S
PRAYER REQUESTS:**

- Pray for Ed & Lynee as they are adjust to life & ministry in Hawaii. Pray for their remaining support to come in soon!
- Continue to pray for Jamie as she is raising her support. She is currently at 65%.
- Pray for wisdom as I make my weekly schedule. There is so much I want to do but I want a good balance of personal development, growth in my walk with Jesus and time with the students.
- Please pray for a past student of mine, Siolo. She used to be involved in Campus Crusade but over the past years has gone through a lot including an abusive relationship. She called me and said she now has a baby boy. Pray that God gives me opportunities to minister to her.

MINISTRY UPDATES FROM TRICIA KAVLE

Happy 2010!

Hope you are all doing well in this new year! Can't believe it's 2010!

This semester brings a few big changes. **First, our new staff, Ed & Lynee Beringuel, have moved to Hawaii last week!** We're really excited for them to be here. They found an apartment and are now raising their last 4% of monthly support so they can fully engage in ministry. Right now, Shaun and I are just connecting with them weekly but they can't be on full-time until they're at 100% of their goal. Praise God for them and please pray with us that the 4% would come rolling in!

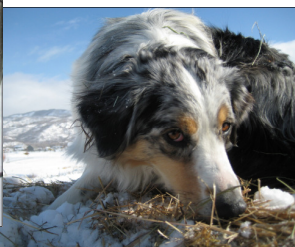

The other big change is with our student leadership team. As you can see below, we've had Skyy, May, JR,

God has blessed me with amazing people to serve with! From left to right: **Skyy** (one of our student leaders), **Jamie** (our new staff who's hoping to move to Hawaii in the next few months!), **Shaun** (my co-leader, yes, he's growing his hair out!), **Lynee and Ed** (our staff that just moved to Oahu)!

Sara and Nicky for a while. All local students (born and raised on Oahu, Maui & Kauai) and have the most passionate, pure hearts for God. But for now, God has called JR back home to Maui to take a break from school and minister to the youth at his church. With Sara (green shirt), God has called her to Japan to live with her mom and go to school there. She will be back at UH next year but we miss her and JR dearly. Please pray for God to bond the 3 that are at UH still and to use JR & Sara in Maui & Japan.

Lastly, I was to be able to go to California and Colorado for Christmas. Seeing my family in Sacramento, visiting my home church and getting to spend time with my boyfriend, Nich, and his family was so refreshing to me. It was a big transition going from 80 degree weather to -8 degrees. But so fun! Here are some pictures from Colorado...

Can't tell you how much I appreciate you all! Thank you for ALL of your support!!!! Aloha, Tricia
