

NICH & TRICIA BEEBEE | SUMMER 2013 | EPIC MOVEMENT  a ministry of CRU 

First of all, we ask for your forgiveness in not sending an update since March! We really appreciate you sticking beside us as we minister to our students and learn to function (and update you!) better as a family. Baby Beebee #2 has yet to come (due date August 16th). HE is a boy and we can't wait to meet him any week now!

This past month, we said goodbye to our latest class of seniors (*above left*). It is difficult to see them all graduate after knowing and investing in them for four years, but we are excited about our three Core leaders as they have decided to intern with Epic - even one, Rebecca Hu, who Tricia has been discipling, will be on our team this fall.

We picked our leadership for next year (*above right*)- they are 3 returning leaders who will be juniors and 3 new leaders who will be sophomores. Epic at UCI has NO senior class for next year so leadership and the ministry will be young. On one hand, it will be great to have "young blood" - fresh minds and hearts for God but on the other, we will be lacking in experience and maturity a bit. We would love your prayers for the new team to bond, to feel empowered to reach the campus and grow in their own relationships with the Lord together.

Our summer job is very different than our usual project staffing assignment. Since Tricia's due date is approaching, we were able to stay in Orange County mainly coaching the Southeast Asia Epic Summer Project during their week-long briefing and debriefing. Briefing was extremely busy as we sat in each team meeting and coached the four leaders, but we also enjoyed it and hopefully, depending on Tricia's capacity, will coach them again when they return July 29th for debriefing.

Nich has been busy coaching new and returning interns who are cultivating their own team of ministry partners to serve this upcoming school year. He spends time on the phone weekly with 6 Epic male interns - all on different teams from Hawaii to LA. His main job is to help train them to reach their financial goals each week while encouraging and praying for them. Other than that, we are working on raising more financial support as we are getting ready for Baby Boy Beebee - he has surpassed Naomi's birth age of 34 weeks and has no complications! *Please pray that it will be a smooth delivery for Tricia as we only know what it is like to have an emergency delivery.*

OUR NEW ADDRESS:
the Beebees
1342 Stanford
Irvine, CA 92612

On June 1st, we were blessed with the opportunity to move to a 2 bedroom apartment just 5 minutes from UC Irvine. We are realizing how God provided this amazing space at a fraction of the cost of what we thought since we qualified for low income housing. It is so nice having a kids room and an extra bathroom! Plus, we live right among many UCI students - we really hope to have more of an impact for Christ by living in such a central location.

We are so thankful for your partnership in changing students' lives and ultimately the world through Jesus. God continues to use you mightily in our lives, as well as the lives of college students in Southern California, Southeast Asia and around the world.

NICH & Tricia
