Dear Friends,

It has almost been 2 years and so far, we are committed to making East Asia home for another year starting August 2016, followed by a long-term commitment of 3-5 years after training during Summer 2017. To sum up year-two it's been both exciting and challenging. It has stretched our faith to lead our team, love them and our family well, while trying to embrace living in a completely new culture. At the same time, and in light of recent world tragedies both domestically and abroad, it makes it worthwhile to see new students place their trust in Jesus while seeing each of our teammates and own children grow in their knowledge of and place their hope in our great and sovereign God.

Even though there is much to celebrate, mourn, and pray for, we are focused on the task before us as we prepare to enter our third year serving in East Asia. With the blessing of young Rohan recently joining our family, we have a need to raise \$1,000 more per month. In addition, we also need to raise another year of university tuition (\$2,400), team briefing (\$1,900) and conference expenses (\$875/person), visa fees (\$350/person), airfare for our entire family (\$1,100/person) and other one-time costs totaling \$24,500.

We are trusting this same sovereign God to provide as we share with, and invite new partners to join our team, and ask current partners to increase their giving as they feel led. Whether it is a single gift of \$100, \$200, or \$500 towards aspects of our one-time goal, a monthly contribution of \$50, \$100, \$200 or some other amount significant to you, we would be honored if you would consider partnering with us in some capacity.

You can adjust your monthly giving or give a one-time donation online by going to www.give.cru.org/0533048. When you go to the website our names will not show up because we serve in a secure location, but you will see "International Staff #0533048".

We feel like we cannot express our full gratitude to each of you, but please know we appreciate your investment and covet your prayers as we continue on this journey, trusting God for our lives, community and needs as long as He calls us to bring the gospel to East Asia!

Thank you for being a part of what God has called us to!

Much love in Christ,

NICH & Tricia
