

Merry Christmas
from Warm
and Sunny Orlando!

It's hard to believe that the year is almost over!

*I am so grateful for all God continues to do and for each
precious person that he continues to bring into my life.*

Thank you for your friendship, prayers and care during 2009!

I am so blessed.

*Wishing you and your loved ones a very
Merry Christmas and Happy New Year!*

Hope Arrived... Jesus is Born!
