

# A Special Opportunity to Give & Pray!

May 8, 2011

Dear

In June of 2010, Tonya, Sarah & Lyndee came to Orlando for a life-changing summer. They joined some 30 other college students from around the US on an Operations Summer Project. Some time ago, Campus Crusade began to create spaces and places where students could well-engage their majors, skills and passion for Jesus through summer internships (and hopefully expose them to the idea that, should the Lord lead them in this way, they could actually join with us as missionaries post-college, using their majors to fill critical roles in the ministry!).

These three particular women were delightful to know. Each walked away from their summer internship with Campus Crusade having a greater perspective on how God might employ their majors in the marketplace for His Kingdom's sake. And, all three experienced personal life-change as they were coached by CCC staff members who invested in their spiritual formation (including evangelism and discipleship training) over the course of the summer. What a terrific combination!

This summer, the Lord has led me to take my work from Orlando to Fort Collins, Colorado, to invest in students like Tonya, Sarah and Lyndee. Bi-annually, CCC takes over much of the CSU campus for a variety of training purposes. I'll arrive in Colorado in June to oversee a team of interns who will aid us in our next phase of field research for our US Ministries. Together, we'll work to ensure that we're providing the most helpful resources for our field staff and volunteers around the country as they build movements of spiritual multiplication *so everyone will know someone who truly follows Jesus!* We'll wrap up our research project in time for the US Staff Conference that begins in late July and I'll remain in Fort Collins to attend that gathering with around 6,000 other US Campus Crusade staff members.

**Due to this summer assignment, I need to raise an additional \$3,400 in financial support by June 30th** to cover housing, travel, and meal expenses, plus the cost of CCC's US Staff Conference. As you know, I've been focused on adding additional financial ministry partners to our team since last summer. In light of this reality and my need to be actively engaged in Colorado for two months, *Campus Crusade has graciously agreed to offer a matching gift opportunity of up to \$1,250 to ensure I have adequate funding for my summer responsibilities.* **Would you prayerfully consider giving a special gift of \$200, \$400, \$600 or more to help with this need?** Any amount is significant; please know that I'm very grateful for you and the way you so generously give to the Lord!

**Please join me in praying** for God to bear good fruit in the lives of these student interns as they join us in Fort Collins. I'd also love your prayers for the US Staff Conference—may our ears be attentive to God's voice as CCC moves ahead in the days to come. It'll be so sweet to see what He does!!

Serving Him with You,
