

# Thousand Hills Ministry

September 2020

*Sightings of God's handiwork...*

*Celebrating together the witness of God working to build his church, church speaking truth and serving with love!*

## *What a year 2020 has been...*

Like many families this year we too have had to make adjustments with employment and also in ministry. Much of our personal support in ministry comes through the mission trip administrative fee. All of our project investments in Haiti comes through visiting teams. Both have come to a stall. Being we are not traveling with teams to serve and equip our partners in Haiti we needed to shift in this area and we have. God has been ever faithful, and with a creative response the Lord keeps using us to continue serving and investing, receiving and sustaining. Introducing...

**Ten Talents Investing:** Consider Matthew 25:14-30, where God has entrusted Himself to His servants and asks them to leverage those talents for His glory AND the benefit of another to the best of our ability. Love God and love people with His love.

electricians, etc. and build up the church. This venture of coordinating construction trades replaces my part-time job I had for years which helped to support my family. More on this in our next newsletter.

## *Pastor Alix Pierre*

Currently the seminary is operating under a temporary accreditation while Pastor Alix is attending university for his doctorate degree and once received (October 2020) the Open Door Bible Seminary will be fully accredited and under the direction of Pastor Alix.

From Pastor Alix: *Good evening, everyone, today it's very important to express my gratitude to all the partners of Thousand Hills Ministry who helped me to pay for my doctorate degree. I will graduate on October 18th, 2020 because God has used you to accomplish my vision, In Hebrews 11:1, Faith, it's something hoped for and the evidence of the things not seen. In my Experience with Jesus, I say Faith is a hand to receive the blessings from God. May God continue to bless and make you whole for His glory.*

## *Seminary wall*

The seminary in Haiti is a swiftly growing ministry, praise God! The seminary, filled with students, leaders, teachers and a lot of equipment such as generators, computers, and a solar power system this ministry active. In effort to keep the campus safe and secure a wall is under construction. This is much more than a wall, it's a symbol of encouragement to the students and staff. A reminder that God is answering prayer and is active for His glory.

Ten Talents is a real estate investment company we launched with friends where we buy rundown houses, repair them, and sell them at a profit. We equally share of the profits with THM to continue investing in God's Kingdom at home in Haiti, supporting our family and funding church supporting projects. Currently, we have two homes, both are in Florida and in the demolition and remodel phase. We partner with Christ following trades, plumbers,

We pivoted with the times to sustain THM and leveraged God provided talents.

Thank you partners for your prayers and support. **THE THM TEAM**
