## Drake renovation complete

The before and after are profound and profitable. Praise God we will be sending \$20k from the profits of the Drake house (closing next week) to the seminary leadership team!

The story of the timing on all of this is another chapter for another book... God is so much into timing in our daily lives, seeing Him move grows our faith and trust in Him alone.

Two additional houses are under renovation right now. Join the seminary students and leadership team in prayer of fruit bearing joy in these good works!

## Fellowship Hall

As a result of the Drake house, the roof is starting to go up next month, we are working and praying the building and grounds will be complete for our first graduating class in June.

Financial resources have been sent to start the beatification of the seminary campus.

Friends, these stories are so encouraging for all to hear!

God's timing for His glory and our good.

## 72 students enrolled

We need **YOU!** Please, share our THM/Haiti partnership with your friends, family and church. Brian is available to speak at your church and share all that God is doing on the ground in Haiti.

If you know of anyone needing to sell a house in Central FL, let us know and see if we can help.

The seminary students, pictured above are inviting you to play your part in positioning them to be Godly servant Pastors, reflecting Jesus, and they say **Merci!**

### **OUTZ FOURTH GOAT FARM LAUNCH** - *This time with cows*

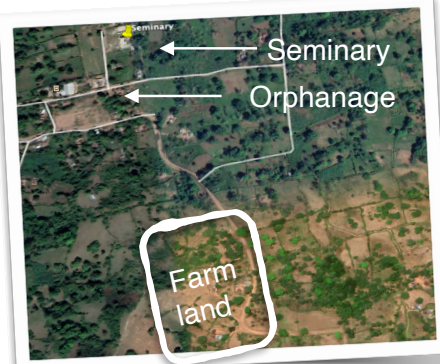

In our December newsletter we announced a goal to raise \$70k to launch an animal farm to support the seminary.

Praise God, all \$70k was raised **IN December!**

Acres of land has been purchased, budgets being finalized, Haitian farm-hand interviews being conducted. Build step by step...

Glory be to God! All systems are "A GO"

**THANK YOU PARTNERS**

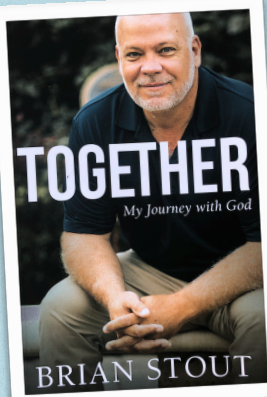

**Pastor Peter** - Seminary teacher

THM is supporting Pastor Peter and his goal to obtain his master degree in theology. He has one final semester coming up, and his grades are perfect!

The goal for the seminary is to have all teachers equipped with a master degree in theology. THM is sponsoring this initiative.

Pastor Peter, Ellen, his wife, and son Zachary are pillars in the community of Bois de Lance. All that have been on our mission teams know Pastor Peter. He is also on the Board of Directors of the seminary.

Thank you friends for your feedback after reading this book. It is very encouraging to hear how God touched your heart and used the stories God provided to shape your heart on your journey with our Father. God is personal, He is our greatest need, His lovingkindness is perfect love.

Many of you informed me that you would like or have purchased extra books to share with friends and family. Thank you for that honor, truly humbled by seeing God move, for His glory.

This book is on: Amazon, Barnes & Nobel and Books a Million. Proceeds do not go to THM, they simply cover the cost of production.

And yes to those who asked, book 2 is in production. More God stories...

Thank you for all your support and prayers. We can't do this without YOU!
