New vocational school San Rafael

Thank you partners for supporting the launching of our second location of a vocational training center. This month, church leaders of San Rafael held its first class. Praise God!

The school is an outreach program for the youth in their village. The students hear the Gospel of Jesus Christ AND are taught a trade such as sewing, carpentry and electrical skills.

Aug 4th is the first year celebration of the San Rafael church and the students of the school have formed singing groups to share with the congregation that Sunday. Preaching Christ in word and deed.

Rom 1:12

August 5th we celebrate five months of Shade Tree ministry and we thank God for all the work He has done to glorify himself and to bring us good. So many sharpening stories, healing of hearts, opening of eyes and renewal of minds for the men God has brought under the Shade Tree. All praise, honor and glory to Christ.

When we read scripture, both old and new testaments, we picture gatherings such as our Shade Tree meetings. We might assume the pace of life was more conducive to linger longer and this is what we do here. Pausing in fellowship over the living word; the body gathered together, reasoning together the things of God. We have found that the intentionality of not allowing time to dictate the end, rather when the last man leaves, allows us stillness and the holy spirit moves in hearts to know and share the leadings and peeking of the spirit of God.

The Mount Dora and Sanford locations are also training grounds for men to share and also learn how they can start a ministry at their home and ways we can support that launch. Training men how to conduct and encourage meaningful conversation grounded in Christ and see how many gatherings of mighty men of God are born. In addition to that, these mighty men of God are in their own churches encouraging others to gather as the saints in the past did. Outside, under a tree. There is something encouraging about seeing and sensing God's glory as the conversations progress. ***Nothing new under the sun. The harvest is plentiful, the workers are few.***

On my office wall, Kathy, my wife created a six foot tall prayer tree, using bark from our trees for the trunk. The leaves are the names of the men who attend, I pray for each one day by day and it blesses me!

Thank you for all your support and prayers. We can't do this without YOU!
