Nov 2017

I will praise the name of God with a song; I will magnify him with thanksgiving.
Psalm; 69-30

Happy Thanksgiving

Dearest friends,

We thank God for YOU!

YOU walk with us as we work, as we follow God and seek *Him, all glory to God* for this season of Thanksgiving is a special day to remember YOU and thank each of you for your prayers and encouragement, your sacrificial and generous support. Together *WE* are seeing lives transformed for Christ!

November team

Investing time, talent, and treasure. Our November team from Indianola Community Church, in Iowa, sent a team that served God with enthusiasm! What joy to see the body of Christ work together bringing glory to God.

Some of the team worked two full days of medical care in locations where little or no care is available. The lines were long (over 100 people each day) and the church was seen in the village as bringing a blessing! The church leaders are seen as people willing to serve those in need.

Construction on the leadership and seminary building was a constant project, framing the interior walls, and painting the interior and exterior of the building. Smitty was our job foreman as well as a student in *his* school. He is a Pastor of a local church and is getting a

seminary degree. The joy of building his school is very evident.

Most of the team also trimmed banana trees and added trellis's (tree branches) for the yam plants. We all worked alongside students and farm workers caring for the garden. Small children would run a fetch sticks while our team would set them next to a small yam vines, giving the plant a trellis to grow on. Team work!!!

The team also provided the church leaders with over 150 bibles and my friend in Lake Mary who has visited Haiti with me also sent an additional 30 bibles. God's word in the hands of students and church.

Glory be to God for all that He is doing through the partners of THM.

Year End giving is a large portion of our support raised each year. Would you prayerfully consider a year end gift to propel us into a transforming new year?

Preparing for the harvest

David and Jonnie (above) trained our mission team how to properly trim a banana tree. Working alongside the men brought great delight for the team; a deep fulfillment floods the heart when you know the work of our hands will serve a need both today and continually bring blessing as a financial resource for the seminary to reap in January and more.

Goat shelter - Grand Ravine

Two goat shelters have been completed at our third large farm.

Grass for the goats is fully grown and 100 new goats will be arriving by the end of the year.

Praise God for this massive blessing in the mountain top village where the church is caring for her community.

1st year students

The seminary has 15 freshman in class this year including 2 husband wife teams. They are learning together the word of God and biblical based leadership with all the students and in addition to this they are learning skills for married couples needed for an effective ministry lifestyle.

Tractor = financial resource

News "around town" that the ministry has a tractor is causing a lot of excitement. Farmers have been calling to ask for their land to be plowed. The tractor will produce an income stream used for ministry outreach.

Wiljean and I spoke about a plan on how to use the money earned from the plowing service and spoke with the dealership about a maintenance plan.

Magauyave leaders we invest in

Pastor Delance (left) is one of the leaders of the seminary. He welcomed the freshman class and gave us a tour of the yam farm.

Jean Presume' is in his final year of law school. He will manage all the legal affairs of the growing ministry. Through your ministry support THM helped Jean with resources to complete his last year of law school. THANK YOU!
