

to equip his people for works of service, so that the body of Christ may be built up. Ephesians 4:12

Dearest Family & Friends,

Not gonna fib here, I was a sick puppy! Thank you so much everyone for your constant prayers of complete healing for me. As of this writing I am doing well and have very little symptoms after 2 emergency visits to the hospital. I was well cared for by my nurses and physicians but even more so the LORD took great care over me through each of

you as well. Here I am pictured with 2 of my dear friends constantly prayed for me, over me, stayed with me, walked hospital halls with me, and so much more. My heart is full of love for each of you. May our loving LORD continually bless you and carry you and above all as HE is faithful, lean in close to Him and find your joy in Him, He is the LORD!

Love Kathy

Lacienne

Leadership training
Goat farm project

Pastor Orales and his wife Nadage serve the church in Lacienne. He is the associate Pastor and she cares for the church grounds. They now have 5 children and a growing peanut business.

THM has come along side this ministry team and provided them with a peanut grinding machine. They collect their peanuts as well as purchase peanuts from nearby growers in Lacienne and make Momba. Momba is flavored peanut butter they pack in jars and sell. They are selling hundreds of jars of Momba, their business is exploding! More farmers in the area are now growing peanuts to keep up with the demand. Praise God!

Thank you partners, your support is invested in the church.

How much stuff can you fit into a forty foot container? Lots, is the technical answer :-)

Some of the items are to complete the second floor of the seminary; desks, chairs, whiteboards, theology text books, furniture, paint, doors, huge generator, printers and networking equipment, linens and so so so much more...

The *leadership training center* construction will break ground very soon. Supplies to equip the center's entire kitchen, tables, chairs, dishes, electrical

supplies, propane tanks, and many more are stuffed deep inside the container.

Tables, chairs and white boards for three or more church elementary schools are on their way to Haiti.

Irrigation water pumps, tractor parts and supplies are packed.

A very powerful PA system used for church planting crusades was the last item packed.

All for the glory of God!

Thank you everyone who helped with this massive project!

Thank you for all your support and prayers. We can't do this without YOU!!

All gifts are tax-deductible and made payable to: Thousand Hills Ministry, PO BOX 950030 Lake Mary, FL 32795
