Partners, how encouraging it is to see the hand of God move through his children to make himself known. God has used, for a very large part, YOU, the partners of THM to build and equip the seminary with the necessary resources to train church leaders to serve and proclaim Christ in Haiti.

Some of the recent graduating class are now part of the leadership team of the 39th church plant, this one in Perches. Pastor Kedaly was born in Perches and just graduated from the seminary. Pastor Cindy has been a Pastor of a church for years in a neighboring town and Pastor Cindy will help Pastor Kedaly and his team for the first three months establish the church.

Pastor Cindy

The Haitian church leaders we support have a system of planting churches. Once the location is identified, all the churches in the network send volunteers to help with the crusade. The crusade is a four night worship celebration that leads up to the first Sunday church meeting. Starting on a Wednesday night thousands of

people from the town/village come out and sing praises to God and hear the gospel. They are informed of the new church being established and invited to attend. During the crusade an invitation is made each night to trust Jesus as savior, and this summer 103 people did just that during the week! Praise and glory to Christ alone.

For we are his workmanship, created in Christ Jesus for good works, which God prepared beforehand, that we should walk in them. Eph 2:10

The leaders secured a two-year lease on a building they are using as the worship house for \$1,785 US.

As we reflect back to when the seminary was birthed, God planned that this month a graduating student would be proclaiming Christ in Perches during a

crusade, and that the young lady in lite orange with a beautiful smile, would be sitting in the front row of a new church celebrating Christ.

How glorious

Serving together under and for the Glory of God!!!

We are humbled to see God move and continue to bring more and more of his children to gather under the shade tree and to seek his face together.

Join us in prayer for guidance. We do not want to get out in front of God in any manner. Our vision is to have a location in Central Florida for each day of the work week, a mighty man of God can choose where to fellowship. This will require three more locations.

In addition please pray for guidance if God wants us to have a night-time gathering at our home for those mighty men who work during the day.

THANK YOU
PARTNERS!
