

CHURCH OUTREACH & LIFE SKILLS

Leadership team of the five trade schools - Central Plato

The Central Plato of Haiti has over ten Open Door churches that work in concert with one another on many aspects of ministry. A major focus for the churches is to equip the saints and outreach. One of the chief strategies they use for outreach is trade schools. Ministry leaders use trade schools to teach a life skill that can produce an income while preaching the sufficiency of Christ during the process. Very effective in reaching young adults.

Trade schools need funding and the leadership team has built a plan for just that. Pastor Odimon (white star) oversees all the churches in the region and has been observing his friend who has been selling gas as a business for multiple years. Pastor Odimon is seeking to leverage the knowledge of his friend and start a gas station to support the schools. A business plan is built and THM is raising the 40k to buy the pumps, gas and other supplies needed for the business. The plan projects 2k per month in net income after the first year. If this model is accurate, more stations will be sought.

Gas station

This is a bold vision, the leaders have planned, God will direct their steps. **Can you help?**

DISCIPLE MAKING UNDER THE SHADE TREE

We rejoice in the response to the mighty men of God gathering together in seeking Christ in all his glory. October we added Wednesday nights as a time to fellowship.

Wednesday's are much more multigenerational than Friday mornings and the atmosphere is so encouraging. Hearing the older generation affirm the younger and the younger affirm the need and value of the older is solidly biblical.

The men LOVE the integration of ages and the sharing of various life experiences is a blessing. That is evident because we are **already out of space on Wednesday nights.**

Our vision is to have a location everyday of the week in Central FL for the mighty men of God to gather. Join us in praying for a location for Monday and Tuesday.

Josh & Hannah engaged

Dearest Team,

We are very excited to announce that our youngest son Josh is engaged to the love of his life, Hannah. We rejoice in the Lord and rejoice in their commitment to one another in their upcoming marriage in April 2025.

Rejoice in the Lord always. I will say it again, **Rejoice!** Philippians 4:4

Thank you for all your support and prayers. We can't do this without YOU!
