Give thanks to the LORD,  
call on his name, make  
known among the nations  
what he has done.  
(Psalm 105:1)

## Celebrating at home

*Winding down the school year comes with cheers and tears... as Zac moves on to 8th grade. He's still reeling with passion for sports and playin' guitar. Bree finished-out her elementary career with a surprise academic award and Joshua breaks the schools record for greatest academic gain, and a new passion for leadership. Yay! sniff sniff... Yay!*

A good friend in ZAC... almost daily there are 5-10 boys connecting at our house for various game-time. Pray for Zac as he maneuvers through "teen-hood" (ZAC in back)

Soccer! We enjoy the competitive sport, not just game time, but the families on our team. We call the soccer field "the mission field". Please pray for Bree and our family as Christ's witnesses as we do life with our soccer family.

Joshua completed his cross-over from Bear Scout to Webelos. So proud of our boy-scout. God building his character and growing his heart to live for Him.

### MANY PARTS, YET ONE BODY...

Above is a glimpse of a few whom God has brought to ODH. From high school students to doctors, God has arranged these teams to bring about His plan, for his glory. Some examples of these diverse teams which continue to multiply are the US doctors. Creating their own network of peers, three teams will travel this summer to Haiti, see patients and train Haitian doctors. God arranging each one, as he chooses where they will serve their brothers and sisters, building into them to go out and be Jesus in their communities. And, supporters like you who pray for and financially support our efforts, thank you. We can't do this without you.
