

And I tell you that you are Peter, and on this rock I will build my church, and the gates of Hades will not overcome it.

Matt 16:18

## Haiti update

The church in Haiti is following guidelines in limiting group sizes. No Sunday worship. However small groups have become such a vital vibrant role within the church, that teaching, worship and encouragement will look a lot different once restrictions have been lifted. More dependence on home churches will be the result. Teaching Pastor writes the message plan and home churches talk it through. The "taking through" the message and the application of it has been an unexpected blessing.

## Seminary

The senior class is the only class meeting during this time. They have less than ten students and completing assigned work. Leaders are developing a plan for the remaining students as these students are leading home groups.

## Limited impact

The country of Haiti has had very limited impact from the virus. No church members or their families have reported any cases in all 28 church locations.

Thank you for your prayers!

## The church prevails

### *Fighting fear in troubled times*

The church is built on a profession of faith and all the DEFENSIVE weapons (gates of Hades) will not prevail, Jesus proclaims in the gospel of Matthew. During this time of an uncertain virus, and governments response to it, faith is tested.

Times like these fear in its many forms and fashions is often used by our common enemy to wreak havoc, cause doubt, division and shift our focus on where we place our trust.

Fear battles for our heart affection. The world and it's leaders (gates of Hades) will tell us where to place our trust and what is essential.

We the church trust Christ for our way, always, in all things. We submit to local authorities, but our trust and hearts affections are in Christ.

We are blessed to walk through this season with the victorious church. Thank you friends.
