Celebrating with Thanksgiving the witness of God working to build his church

Happy Thanksgiving

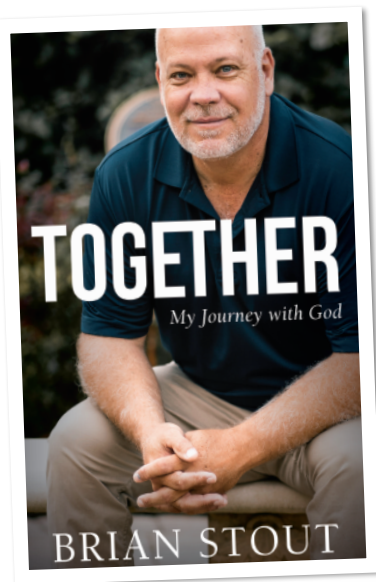

I wrote a book. This book is a collection of some of my God encounter stories. Sharing of how God is in front of me drawing me unto Him and how utterly dependent I am in Him to remain abiding in Him.

I am thankful God gave me a wife like Kathy. As one, we shared in this journey and also the chronicling of my encounters with God.

I am also thankful some of you have walked closely with me down the path God had determined before time began. I still marvel at that each time I recall Ephesians 2:10.

As I repeat often in the book, God is good and He can be trusted.

We are mailing our partners a copy when it is finished.

Ten Talents

We are making great progress on the Drake house. We are looking to have it completed and sold this year, God willing. Part of the profits will be invested into the cow and goat farm supporting the seminary. We are deeply Thankful to have this opportunity to serve others in building up the church. Things that last, God's Word and His people.

Thank you for all your support and prayers. We can't do this without YOU!

All gifts are tax-deductible and should be made payable to:

Year end giving is a large part of our support. This year is more critical due to our cancelation of all trips in 2020. Trip administration fees are 30% of our support.

Ten Talents will help close that gap in 2021, however, we need to end well in 2020.

Thank you partners for your prayers and support.
